### Huub Hermans - The family of Blue Magic Toppers!

Huub Hermans has already been in top several times this season. His Van Loon family (Van Loons pigeons via Thei Bours, Elsloo, Holland) are showing the same tendencies as earlier years!

His old foundation cock "De Super 015" is already father, grand- and grandgrandfather to more than 50 1st prizes and it seems like Huub Hermans has found his new foundation cock "Blue Magic".

"Blue Magic" got 5 x 1st prizes when he was active as racer – only raced as youngster and after 4th National Orleans directly into breeding - and now he gives on these magic genes to his children, grand- and grandgrandchildren as a true foundation pigeon.
